## SHELL IN CHINA

*Supporting the country for high quality & innovative growth...*

*...with high standards in protecting the environment and helping local communities*

# Construction of Nanhai Petrochemical Site

# ***Resettlement to Chinese and World Bank standards***

*Above: Playground and basketball court in the resettlement village*

*The communities from Nanhai were fully involved in their resettlement from their original villages (above) to their new homes (above and below right)*

# ***New and more exciting chapters to come***

The Final Investment Decision signing ceremony for the expansion of Nanhai (November 2017)

Ben van Beurden (5th from left), , CEO of Royal Dutch Shell and Chen Yiwei (4th from right), Party Secretary of Huizhou, witness a significant expansion to the Nanhai joint venture (May 2018)
